3M™ Mobile Projector **MP220**

Your office on the go!

Not sure where and when you'll be presenting? Carry our brightest battery-powered mobile projector with you: the Mobile Projector MP220. No more lugging around a pile of documents, sharing your laptop screen or turning your computer monitor so everyone can see. You can easily project information almost anywhere you go, instantly! The 3M MP220 even plays videos and photos from an iPad® — all with 65 lumens of brightness. Perfect for presenting to small groups.

+ Battery or plug-in for super mobility
